ADMINISTRATION

MR. LYNN H. CRAWFORD
Superintendent

MR. ROBERT S. FARRAR
Principal

Administration

One of the most important factors of our high school is the cooperation of the administration. It is through their whole-hearted support and interest in school activities that Santa Ana High School carries on.

Holding the top position is Mr. Lynn H. Crawford, Superintendent of Schools. His job is a tremendous one, for he must help with the administration of all the schools in Santa Ana.

Mr. Robert S. Farrar is Principal of our own Santa Ana High. His kind and understanding attitude toward any and all students and faculty members has endeared him to many.

Mr. John E. Johnson, Vice-Principal, and Miss Helen Kirkland, Girls' Vice-Principal, are probably two of the busiest members of the administration. Mr. Johnson handles all class department problems and demerits, along with acting as adviser to the Board of Control. Miss Kirkland's job is to straighten out any problems that the girls may have. She is also one of the advisers of the Girls' League Cabinet.

Acting as Social Adviser, Mrs. Mirrle Bouchey helps handle all arrangements for the use of the Hut or Cafeteria by any club. Putting up posters for advertisement of school events is also supervised by Mrs. Bouchey.

Noble actions characterize the great.

The Attendance Supervisor, Mrs. Virginia Fielding, has a tremendous job. She takes care of all absences and tardiness. Her office handles all call slips. She is an adviser on Girls' League Cabinet.

Completing the administrative staff are Mr. William T. Elliott, Employment Co-ordinator; Mr. George Herron, Registrar; Mr. Thomas Trawick, Vocational Counselor; and Mrs. Ellen Ingram, Nurse. Mr. Elliott handles all phases of student employment, either here at the high school or elsewhere. He is also Student Relations adviser. Mr. Herron helps to straighten out any registration problems a student may have and takes care of all students who enter late. Mr. Trawick gives vocational tests to all students who may want them to help in choosing the right vocation.

Pictured here are faces familiar to all of us—our teachers. These are the people who have worked side by side with us in order that we may be speeded along our highway of education. They have helped us, not only in class, but out of class as well. They were our advisors, assistants, and companions on numerable occasions.

They put forth considerable effort to enable us to progress toward our goal, graduation. The helpful and able assistance which they have given us will forever remain in our memories of high school life. We shall always look back and remember their favorite sayings and expressions. Their attitudes will have considerable influence on our success and future happiness. They have molded many of our ideals and standards.

Our teachers have earned a place of respect in our hearts. Because of their unfailing aid and understanding, they will always be close and dear in our memories. Their work, which is often thankless, is something we can not do without; and for it we now express our gratitude.

Even teachers are human.

Dear Betty,

So many things have happened this year that I can't remember them all, remember the basketball games we went too and how Crushed we got going over - what a scream - I wasn't very tired after words - and of course everything that went with the game. Wow - I really sorry over the mapote deal - I really thought you had it but I guess it's just how wrong a person can be - any way see see you this summer be good but have fun -

Office Secretaries

Education is a business as complicated as any in the world today. While the students are mainly concerned with assignments and grades, others must attend to the permanent records, financial transactions, textbooks, and hundreds of daily requests for information and service from students, alumni, faculty, and the general public. The office secretaries of Santa Ana high school, because of their efficiency, their helpfulness, and their amiability, keep the business of learning running smoothly throughout the year.

They never leave until tomorrow

Custodians

Some of the most loyal Saints here in Santa Ana High School are not enrolled as students. These Saints arrive at school very early in the morning in order that they may have our buildings and campus in order by the time we arrive.

They are loyal in many ways. Their varied duties range from picking up waste paper and keeping the halls in order to polishing desks and regulating heat in classrooms throughout the school.

Credit for the outstanding beauty of the campus belongs to the gardeners who work throughout the year to provide a wealth of seasonal flowers.

Student Administration

The first semester student administration was headed by President Henry Aguilera. The sale of Student Body Tickets began this semester, followed later by the annual Color Day with its traditional Kangaroo Court. At the close of the semester, a football banquet was held.

The second semester had Herschel Musick as Student Body President. One of the many affairs during the second semester was the Student Body Picnic. The semester ended with a spring sports banquet, which paid honor to Saints participating in spring sports.

The Board of Control has general supervision of all student body activities. It sponsors many important affairs during the year, such as Color Day, the Student Body Picnic, pep assemblies, and promotion of the annual sale of the Student Body Ticket.

One of the essential bodies in maintaining school order is the Student Relations Committee. Consisting of twelve seniors, ten juniors and eight sophomores, the committee was directed by Diana Charlton the first semester, and Jimmy Crowe the second semester. This group has many activities, but the main project is to obtain better relationship among students.

The duty of the Self-Government Committee is the handling of cases referred to it by the Student Relations Committee.

Girls' League

The Girls' League has had many projects this year serving all of Santa Ana High School.

One of the first things the organization did was to sponsor the Information desk in the foyer to help new students find their way around the school. After that came the Sophomore Tea and Fashion Show, which was very successful. Then came the Pot-luck supper for all new girls. Next on their calendar was the Football dance in the Lathrop auditorium after the Anaheim game.

For the Christmas season, the Girls' League did a beautiful job of decorating the Christmas tree in the foyer. During the second term, the league sponsored the Girls' Vocational Conference, which was a great help to many girls in finding their future professions.

One of the biggest activities of the Girls' League was the Co-ed Dance in March, to which the girls escorted the boys and paid all the bills.

Diana Headrick was the president of the cabinet the first semester, and Helen Honer was her successor for the second semester.

In this postwar period we must attempt to find the key to a better understanding in order to unlock the door to universal peace.

Like children afraid of the dark, we fear most that which we do not understand. Early man distrusted even the elements until he learned to make use of them. Tribal battles and later wars between nations have grown out of misunderstanding and intolerance.

Through reading and experience we can acquire knowledge of the background, the interests, and the problems of other people. As we discover how much we are alike and learn to arbitrate our differences, tolerance will grow into friendship.

If each citizen tries a little more to understand himself and his neighbors, the key to lasting peace will be found and used.

The Ariel Art Staff, under the capable guidance of Mrs. Nell Fay, has played a large part in making this year's Ariel such a success.

Joanne Morrison and Barbara Tucker, the co-editors of the Ariel Art Staff, with their very co-operative and able staff, worked diligently for many weeks in preparing the actual structure of the book.

Endless hours were spent in arranging the pages and deciding what type of technique and what manner of illustrations to use. Many illustrations were made ready, and a chosen few were finally selected for publication.

This year's highly capable staff should be given much credit for its superb handling of the yearbook.

Together we work to create

Under the capable editorship of Connie Schulz, the Ariel Literary Staff has worked together to make another top notch Ariel. The staff, consisting of three sophomores, three Juniors, and five Seniors, has toiled since the beginning of school writing assignments and meeting deadlines.

With Miss Mildred Watson as advisor, the staff had the job of taking names and information accurately for the senior pictures so that these could be placed under the pictures when the book was printed. This year the running commentary throughout the book was an added task set before this industrious staff. One of the most beneficial of all the many jobs of the Ariel Literary Staff is the job of trying to capture, through the use of words, all the many activities and good times every Saint enjoys during the school year.

At the end of the year the members enjoyed the annual Ariel banquet honoring all those who have worked on the yearbook.

Business Editor
Elsie Kittelsen

This year's Business Manager for the Ariel Staff was Elsie Kittelsen. She was elected to the office by popular vote of the members of the staff.

Elsie, with the aid of the staff's advisor, Mr. Edward Black, led the members to the publication of this successful Ariel.

The advisor, manager, and the staff spent many hours accomplishing different assignments, such as running the annual pre-sale of the Ariel at the beginning of the year, getting sponsors for the book, taking the final orders, and, at last, distributing the Ariel.

All ventures need financial backing.

The photo work for the Ariel has usually fallen on the shoulders of one or two enthusiastic young photographers. This year the staff was increased to allow for a more complete coverage of school events and activities, as well as to ease the load from too few shoulders.

This Ariel staff should be better known as the Photography Staff of Santa Ana High School, as it has done most of the pictures for the Generator in addition to its work on the yearbook.

The staff, under the guidance of Mr. Gerald Bruce, advisor, had to mount the senior pictures, put the names on other class pictures, photograph scenes for the divisional pages, and supervise the taking of other pictures.

During the first semester, the photography staff also sponsored a contest for snapshots for the Ariel, with a \$5.00 prize for the best picture.

This group was also in charge of the 1950 Ariel banquet, celebrating the successful conclusion of the year's work on the book.

Members of the Generator Staff, under the editorship of Jim Spiegel for the first semester and Donna Drageset the second, have labored skillfully and painstakingly in their task of supplying news and information to the whole school.

The Generator Staff is, perhaps, the busiest of all the publication staffs in Santa Ana Senior High School, as it has the responsibility of publishing, copy-reading, and proof-reading twenty-four papers a year. This means the job of getting out on the average of one paper a week. In spite of the tremendous amount of work required of each member, the staff still reported all the sports events, parties, dances, club doings, and personal items, and met deadlines faithfully.

The task of being the advisor for such a group is no easy one. Mr. Delmar Martens acted as advisor for the first semester, and Miss Mildred Watson took over the responsibility for the second semester. However, with the co-operation and help of all the journalism students, the Generator sailed through a successful year.

Much credit also goes to Mr. Willard E. Francis for his co-operation in helping to publish the paper.

The Creative Writing Class, under the guidance of Miss Mildred Watson, writes and publishes "Leaves in the Wind" every year.

Much painstaking effort was put forth by John Harvey, editor of the magazine, and the editorial staff. With the aid of Miss Watson, the entire class chose the best writings; then, the real work began.

With the deadline looming up before them, the seventeen potential writers taking the course worked hard re-writing, copy-reading, and re-typing their brainchildren, until finally the book was ready to go to press.

Barbara Buchanan, business editor, took over the publicity, and at last pushed the actual sale over the top.

All work and no play makes Sammy and Sally Saint dull students. Miss Watson, being the understanding advisor that she is, suggested a party to celebrate the success of "Leaves in the Wind." This suggestion was acted upon, and for one evening these "would be Shakespeares" forgot about the Rhyming Dictionary and the Thesaurus and concentrated on fun.

A most successful and happy year was enjoyed by the Creative Writing Class. They have learned not only to write stories and poems but also to take criticism of their work good naturedly.

'Too much praise can not be given to the print shop and to Mr. Willard E. Francis for their hard work in doing practically all of the printing needed for the Santa Ana schools. Pressman Arthur R. Hull assists Mr. Francis in the various jobs undertaken by the department.

Few realize the tremendous effort that is put forth in the printing of the many features, which are probably headed by the daily bulletin and the football programs for both Saint and Don games. Besides publishing the Generator and setting up printed material for the Ariel, the print shop is entirely responsible for the fine workmanship on the El Don and both of the junior high school papers.

In addition to this, Mr. Francis supervises a class in printing. Under his guidance, students learn the fundamentals of setting type, working the various machines, and putting out a newspaper. Movies are used as a supplement to actual practical application in printing. The student body owes the print shop and Mr. Francis a great deal for their successful efforts in making Santa Ana High School's printing department tops.

My dearest friend (ha ha) Betty.

Well, we've really had some great times together with Graham guys and otherwise. I've really had fun being your best girl friend once upon time —

I want to wish all the luck and success to you and Don and I've got my fingers crossed for you — I only hope everything turns out okay.

We really had fun in all the parades and football games — didn't we? You really made a good majorette — you had everything! I'm only sorry you didn't make it again — you really deserved it — I hope you have lots of fun this summer and next year. I'll be seeing you at the beach and everything. I only hope we can make it through our senior year — Have fun in everything you do. And always stay as sweet as you are. Don't ever forget the Rose Bowl. (Made you a little Rose Bowl.)

A key to social living is to be found in knowledge: that is, in knowing our fellow-men and in understanding their problems. Having been created social beings, we should fall far short of full living, were we not trained to get along sympathetically and helpfully with others. In the organization of school life, we aim to a greater sharing of life in and through the various clubs, groups, and committees.

Have Fun and Be Good —

Don't Do anything I wouldn't do —

As Always,

The key to sportsmanship can best be found through actual participation in various sports. In doing so, we find that we must obey the rules; that we must recognize our opponent's ability, as well as that of our fellow players; and that we must not lose respect for the defeated, as they have often put more into the game than the victor. We must be humble and modest in victory rather than conceited and boastful; and we should not alibi or criticize in defeat. Good sportsmanship should not end on the field, but should continue in every line of endeavor.

ATHLETICS

Coaches

Starting the school year out with football, Coach "Big Bill" Cole taught the varsity team that sportsmanship and teamwork are equally important. The "Bee" basketeers were also coached by Cole.

Returning for his fourth year as varsity basketball coach, "Bus" McKnight led the team through a victorious season. McKnight also helped Cole as varsity line coach.

Herb Covington, in his first year as a Santa Ana High School coach, assisted Warhurst with the "Bee" football team and trained the "Cee" basketeers.

Tennis, one of the most thrilling spring sports, was coached by Walter Egger. Several meets, arranged by Egger, provided much entertainment for Saint spectators.

John Wilson completed his fourth year as swimming instructor with a team any man would be proud of. Wilson also coached the "Cee" football team.

This year, as in previous years, Reece H. Greene built up an excellent track team. His cross country boys also made a very good showing in the fall season.

Ending the school year with baseball, Coach Don Warhurst developed a ball team that provided the Santa Ana student body with many breathtaking games. Warhurst also coached the industrious Bee football team.

Team work is the essence of Americanism.

Football

Since most of the experienced lettermen had graduated, Coach Cole's Saints were not rated very highly in September. However, when the season ended, they were in third place in the league.

Opening the season at Long Beach Poly, the Saints passed their way to a surprising 12-6 win. Returning home, Coach Cole's team whipped the Riverside Bears 32-0.

In their first league game, the Saints beat Downey 32-13. This was followed by a 25-6 win over Anaheim and 33-14 over Huntington Beach.

Then came the heartbreaker. The Saints were clawed to their first defeat, 32-19, by the Panthers, a surprisingly strong Orange team.

With the cry, "Beat Fullerton," Santa Ana went to Fullerton for the do or die battle for the Sunset League crown. But, try as they did, the Saints were unable to score and returned with a 33-0 loss. This was followed by a 14-0 defeat at the hands of Newport Harbor.

With the league games over, the Saints played their last game with Pomona. After giving the Red Devils a real scare, Santa Ana came out on the short end of a 22-19 count.

The Saints placed three players on the All-Sunset squad. They were David Cole, Zeph Jones, and Ed Fouch.

Bee Football

When the school year began, many Sammies wished to participate in football. Those Saints who were not physically qualified for the varsity team signed up for the "Bee" team, which was ably coached by Don Warhurst and Herb Covington. After victory and defeat, the "Bees" ended up in fourth place in the league.

The season opened with an exciting game against Long Beach Poly. It ended in a 13-13 tie. This was followed by a 28-14 win over Riverside. In their first League game these "Little Saints" downed Downey 14-7. After securing a 13-7 win over Anaheim, the "Bees" met Huntington Beach for a 7-0 defeat. Traveling to Orange, they came from behind for a tie, 13-13. Making sure that "the only good Indian is a dead Indian," these busy "Bees" beat Fullerton 6-0. In the last League game they encountered Newport for a heartbreaking defeat, 41-10.

Cee Football

When the 1949 football season came to a close in November, this little package of dynamite, otherwise known as the Cee football squad of Santa Ana High School, ended out of the money despite the able coaching of John Wilson.

The first three league games played by the Cees seemed a little discouraging with scores being Downey 7-Santa Ana 0, Anaheim 13-Santa Ana 0, Huntington Beach 6-Santa Ana 0. Fed up with defeat, the Cee team exploded with a 19-6 win over Orange. This game was followed by a victorious win over the Fullerton Cee team—13-7. The Newport-Santa Ana game, which climaxed the league season, culminated in a 0-0 tie.

Good things come in small packages.

Basketball

Beginning their season with one of the greatest basketball teams Santa Ana High has ever produced, Coach "Bus" McKnight's Saints played excellent ball all the way through, winning many outstanding honors for themselves.

In the annual Huntington Beach Tourney, Santa Ana lost the first game to Saint Anthony's, 41-39, but went on to win all their other games and the consolation championship by beating Garden Grove 60-35.

Back playing the regular Sunset League games, the Saints went through the season with eleven wins and only one loss. They did so by making such high scores as 61-43 over Downey, 75-39 over Orange, 61-39 over Huntington Beach, etc. The only loss was to Anaheim by a close 45-38 count. In the playoff for the championship, however, the Saints beat Anaheim, who tied with them for first place, 51-46.

Entering the CIF playoffs, Santa Ana lost the first game to Burbank, 66-58, in a closer game than the score looks.

Swimming

John Wilson's swimming Sammies began this year's season with high hopes and a lot of skill. Coach Wilson showed his and the team's confidence when he said, "We are going to have a good team this year, for there is a lot of talent."

To prove that he was right, the team crowned a season of activity by bringing home the Sunset League championship for the first time since 1943.

Twenty-seven boys turned out this season. Charles Raaburg and Bob Coffman were selected co-captains. Other standouts are George Bartell, John Parke, David Hayes, Tommy Corbin, Jack Nailon, Russ Murphy, and many others.

Baseball

Even though the Saint baseball squad was weakened at first after losing two games to Long Beach Wilson High in a pre-league tournament, the team responded to Coach Don Warhurst's stiff afternoon workouts.

The team, as usual, competed in the annual Pomona tournament during the Spring vacation. Bob Hickson, this year's captain, heads a roster of six regulars who made letters last year. These players and a squad of Junior Varsity members coming up in the ranks made a promising team, and they gave the coach all the co-operation possible.

Competing in the Sunset League Championship race afforded the Saints a chance to give the student body many exciting games. Congratulations for turning out an excellent team are in order for Coach Warhurst, who worked in the baseball coaching position for the first time this year.

Tennis

Responding to vigorous training given to them by Coach Walter Egger, the 1949-50 tennis team succeeded in giving the student body many exciting games. Guided by co-captains Charles Rockwell and Jim Crowe and three other returning lettermen, the net men made remarkable progress in perfecting their game.

The team, for the most part, gave tough competition to their opponents, meeting Downey and Anaheim, two strong schools, early in the season. Later they entered in the Orange Invitational meet. Schools from all over Southern California are invited to enter one team in this competition.

Even though the team is composed of only 27 members, Coach Egger emphasizes the point that tennis is not a girls' game. It is a sport that can be enjoyed even after graduation from school. By putting this idea over, especially to those out for tennis, he has produced a team whose spirit and enthusiasm is difficult to beat.

Lettermen's Club

Girls' Athletics

To show that Sally Saint is not a little weakling, the girls participate with remarkable vigor in the various sports all year. Starting off with a bang at the beginning of the year, the girls play basketball. Hockey comes next with a lot of bruises and grumbles. Soon thereafter such phrases as "spike it," and "kill it," remind one that volleyball season is here. Baseball is the last item on a full year's girls' sports program.

At the end of each season, a play day is held at one of the high schools, so that the girls may show their ability and become acquainted with girls from other schools.

One of the more important phases of girls' athletics is membership in G. A. A. To belong to this organization, a girl must take an active part in sports all three years at high school. It is an honor to be in this group.

Thus, it can be seen that while Sammy Saint is busy collecting laurels, Sally Saint keeps herself very busy, too.

Sophomores

The little greenhorns, otherwise the class of '52, were first introduced to our high school by a series of orientation assemblies at the beginning of the year. Quickly adjusting themselves to new systems and new classes, they participated enthusiastically in school activities. Swelling the attendance at athletic events, taking part in school plays, showing unusual prowess in musical organizations, and becoming members of many of the clubs were just a few of their main activities during the year.

With so many achievements to be already proud of, the sophomores will indeed be a credit to our school and to our community.

In Memoriam

Betty Lunder '52

Dear Betty,

Well Honey, here I go to try to tell you all the thing I want you to remember. We didn't go out to many times with Smith. But we sure had lots of fun afterward. I really think you and Ron makes a darling couple. I hope you and him always go together. I hope he doesn't treat you like Ron Smith treated me. Ron is a funny thing but once you get hurt you sure really learn a lot of thing. Oh well Ron won't treat you that way. I guess everyone know I was really in love with Smith. But he didn't love me at all. He just lied to me about everything that the reason, he wouldn't come over. Seems silly not to be friends. I

Well honey.. that all I can say about Smithy. I haven't any thing bad because I couldn't name a boy that was nice. I guess all he can say about me bad thing. That what all the kids told me. after they told me I didn't even see how it could be possible. I wouldn't believe them but

Dear Betty
It's been lots of
fun knowing you
ever since I
You have a swell
personality and
I like you a lot
See you next year

Juniors

The year 1950 brings to a close an illustrious and eventful year for the junior class at Santa Ana. It was a year of marked excitement and activity. First there was the selection of class rings; then there was election of class officers; and then as a grand finale, there was the Junior-Senior Prom, a dance sponsored by the juniors for the senior class.

Now the school year is drawing to a close, but next year will spell success and fulfillment of our dearest dreams and hopes, for next year we shall be seniors.

he wouldn't face me. I knew they were really true. Had Betty
how can any one be that way. I never
told to him.
Well hon - of all the guys I have gone
with I feel funny going with Nelson
is the only one I have fun with and
don't feel out of place. Phil is a swell
guy. Too maybe he can come down
with Don. Tommy Summers is darling
and I guess that says can
Dance. Davey is funny -
Bashful. Well I can't leave out
George (Orange) Carl called me and told
me that Davey was crazy about me - He
got the Merck!
me. I sure wish I didn't have a scar
Remember when I told you
that it hurt because of the
scars.

When do you think you guys will get married. Is don happy about majorette - Humm?? Have you seen any seals. - or heard any -!! Why what do you think about Nelson!! - What about Tommy Sumner, Dave, Phil, Curley, Tony, Jimmy Stuart or the others. Which one should I like the better. Remember Bal. - Hampton was really great. - them

You told me to write a lot so I am. School next year is really going to be the thing. I sure

this pen doesn't write for the Birds By the way how about - Bill - It sure looks like war. You know he may be over seas by now. Don't you Betty that pen was driving me crazy. So I got a new one.

am glad I will be out in February. I am going to San Francisco to school. But I will be back in May. I was just looking over the picture of the Juniors and Boys are we going to have a striking seniors class. I guess. I wish you could have gotten majorette for next year and me Flag Maker HA! HA!

Dear Betty,
 It really has been the best year.
 Remembering you Easter Week!
 Autographs
 I was loads of fun. I
 think you're a darling
 & I want to wish you all
 the best & hope
 you deserve
 all the
 happiness
 you
 deserve

Betty
 Best wishes
 in everything
 you do. Lots of
 luck next year

Well - Kiddo - I
 guess that about
 all the thing I
 can think about
 I hope all the
 happiness in the
 world especially
 with you. P. We
 will always be
 close as friends. I
 guess as Smith didn't
 change that. Lots & Lots
 of luck &
 stuff.

Betty,
 I wish I had gotten
 to know you better.
 I would be here next
 year so have fun for
 me huh?

Let's go see your mom
 a lot of times this summer
 you & I can always get
 on the right thing.

The year 1950 marks a milestone in the lives of the senior class members—a year both anticipated and dreaded. It is anticipated because for most it is the beginning of a truly grown-up and self-reliant existence; it is dreaded because it is the end of the road as far as high school days, high school pals, and high school teachers are concerned. The majority of us will leave them behind and go on to new friends, new occupations, and new teachers. There will be little or no time to look back and reflect on "the good old days" of high school.

Hi Betty, you were really pretty perfect as a woman. I got there on the field. get it? I think you didn't guess it all work out. I love you. I love you. I love you.

Dear Betty, I am very happy to have known. I wish you the best of luck and all the happiness in the world. I am so glad.

Dear Betty, It's been fun knowing you this year and playing with you in Tennis. You and Eleanor are fine players. Best wishes to a swell girl. Ruth Linton

Dear Betty,
 chances are that I'll never
 see you again so if you
 ever remember me, I'm old an gray
 or if you see me when I'm old an gray
 stop and talk to me. Lot of
 luck in your senior year.

Hi Betty -

Well - here it is the end of my senior year -
it wouldn't have been as perfect if it
weren't for you - you really helped
me alot - don't ever forget all
the good times we had together -
and remember that time we that
went to Austin looking for - but
boy + we didn't find him - remember
to what we found - the flat tires
after the snowed - don't ever forget
& clear of you to S.B. - you will write to me
me had - & I will write to me -
from college if you heavens sake be
have fun + Don Perkins

Betty -
Congratulations on your
many achievements
during this past year -
keep working as hard
and you'll be an
outstanding member of
next year's brilliant
senior class. Wishing you
the best,
Sally Beckett

Dear Betty,
 Well, we made it
 through our junior year
 with minor injuries. We've
 had a lot of fun at those football
 games, but we can still have a lot
 of fun in the stands. Don't forget
 those cold, wet mornings on the football
 field at school. Those are games I don't want
 to forget. Let's be good losers. Have fun this
 summer, see you at Corona.

a majorette — my
best. to you always —
Dick Lyon

Dear Betty,
I'll want to
congratulate you on
being such a swell
majorette in your past
year. And I wish you
the best of luck and
happiness in your
senior year.
Nancy (and)

Don't know you
to well, but I know
you were one of the better
majorettes. Best of luck
and all the happiness

swell girl
O. Lyon

Dear Betty,
Lots of luck to a good majorette. The
third goon from the right. Why
the he — didn't you ever do your
homework in English! I hope I see
you at the beach this summer.
